Attorney Hill Named One of SuperLawyers' "Rising Star" for 2008

Attorney Hill has been honored with the distinction of being named one of Massachusetts' "Rising Stars" in the legal profession for 2008 by Law & Politics magazine, publisher of the annual SuperLawyers survey. According to the publisher, Rising Stars are attorneys who are either 40 years old or younger or in practice for ten years or less. Less than 2.5% of Massachusetts attorneys are named to the Rising Stars list every year. Attorney Hill was previously named one of ten "Up and Coming Lawyers" for 2007 by Massachusetts Lawyers Weekly.
